Price rises are on
the horizon...
ACT NOW!

April Price Rises!

As we gingerly spring into Spring 2019, it's time to put some spring into your finances! Note some of the important price rises from 1st April 2019. **You can take action right now to save £££££'s!**

Energy prices will rise by almost £120 a year. Consider switching tariffs or provider to save almost £250 a year. www.moneysavingexpert.com/utilities

Water Bills rising by 1st April. Could you pay less? Contact our Thames Water Project scheme for assistance www.westminstercab.org.uk/advice

Council tax rises: check if you can claim a discount or get an exemption. Contact Westminster Council Tax department www.westminster.gov.uk/contact-council-tax-office

or contact us

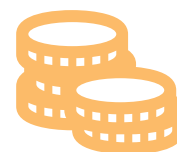

www.westminstercab.org.uk/advice

The **ULEZ (Ultra Low Emissions zone)** charge begins by the 1st of April 2019. Check before you enter the zone. Act wisely, think savings! Driving penalties cause money leakages. Decide before you drive in the Zone: www.tfl.gov.uk/modes/driving/ultra-low-emission-zone/vrm-checker-ulez

NHS Dental costs to rise by up to 5%. You can save by seeing your dentist before the 1st of April 2019.

Think money in your pockets; think savings

Are you getting good deals on your...

- Electricity and Gas
- Home/Content/Car insurance
- Broadband/Telephone/Mobile

Do you really view all those TV channels that you've subscribed to? Check out your TV package to see if you can make some savings. You'll be surprised how much you can save.

Use the comparison websites to compare deals on the whole market. Remember to check the reviews of any Company you intend to move to before signing the dotted lines.
